

Get Involved & Make a Difference

Get involved in the National Association of Dental Laboratories (NADL), the National Board for Certification in Dental Laboratory Technology (NBC) or the Foundation for Dental Laboratory Technology (Foundation) to share your expertise, grow professionally, and help shape the future of the dental laboratory community through board leadership, education, advocacy, and certification.

NADL Opportunities

Education & Thought Leadership

- **What's In Your Mouth? – Blog Contributor**
Write blog content that educates readers on the role of dental laboratories, patient safety, industry standards, and emerging technology.
- **Journal of Dental Technology (JDT) – Technical Articles**
Share case studies, techniques, or laboratory solutions through in-depth technical articles (1,500–2,500 words).
- **Journal of Dental Technology (JDT) – Business Articles**
Contribute business-focused articles addressing laboratory challenges, solutions, and strategies (500–1,500 words).

Contact nadl@nadl.org to volunteer or to learn more about how you can get involved.

Committees & Leadership

- **JDT Advisory Committee**
Help guide JDT content and industry engagement through collaboration with lab owners, technicians, and manufacturers.
Note: Travel and lodging required; subject to board approval.
- **NADL Business Management Committee**
Shape business management education by developing programs including Vision 21 and NADL University.
Note: Travel and lodging required; subject to board approval.
- **NADL Board of Directors**
Provide leadership, strategic direction, and advocacy for the dental laboratory profession.
Note: Travel and lodging required; subject to board approval.

NBC Opportunities

Certification Development

- **NBC Item Writer**
Develop exam questions that support fair, valid, and relevant certification exams.
- **NBC Item Reviewer**
Review exam questions for accuracy, clarity, and alignment with industry standards.

Leadership

- **NBC Board of Trustees**
Uphold certification standards and advance the value of professional credentialing for technicians and laboratories.
Note: Travel and lodging required; subject to board approval.

Contact certification@nbccert.org to volunteer or to learn more about how you can get involved.

Foundation Opportunities

Fundraising & Outreach

- **Foundation Fundraising Volunteer**
Support the Foundation through donor outreach, events, and sharing the mission to expand impact.

Leadership

- **Foundation Board of Trustees**
Help guide the Foundation's mission, programs, and fundraising efforts while making a meaningful difference.
Note: Travel and lodging required; subject to board approval.

Contact foundation@dentallabfoundation.org to volunteer or to learn more about how you can get involved.
