

1. 71% of clinicians are reporting an increase in stress-related dentition damage, increasing the demand for splints and night guards.
 - a. True
 - b. False
2. Labs do not face challenges when transitioning removable products and processes from analog to digital is how to effectively train technicians to design the dentures and splints.
 - a. True
 - b. False
3. The Carbon 3Shape Digital Design Training Program enables technicians to learn the digital design process of dentures and splints by viewing a series of step by step videos.
 - a. True
 - b. False
4. Technicians must watch the training videos in order and on a certain schedule.
 - a. True
 - b. False
5. With the transformation of lab production processes going from analog to digital there is a need to establish an industry standard for technician knowledge and digital workflow.
 - a. True
 - b. False
6. The NBC is working on the development of a new certification program called the Digital Workflow Certification Program.
 - a. True
 - b. False
7. A Job Task Analysis is a standard research practice often used by certification organizations to identify critical practices of a profession.
 - a. True
 - b. False
8. Dentists are unwilling to adopt intraoral scanners to streamline the workflow between lab and clinic.
 - a. True
 - b. False
9. CAD/CAM software is evolving with the help of AI programs to assist in tasks such as designing crowns and nightguards.
 - a. True
 - b. False
10. A benefit of digital denture workflow is that labs can hire employees with no dental experience to operate the printers and mills and perform the post-processing and denture finishing steps, increasing the potential pool of candidates.
 - a. True
 - b. False

Passing quiz grades are worth ½ point documented scientific credit. To earn CDT credit, once the quiz is completed, send it to the NADL at the address or fax number below or submit this quiz online at www.nadl.org/members/JDT/quizzes/. To earn an additional ½ point professional development credit, visit www.nbccert.org to submit your time for reading the accompanying article(s) in the professional development log. Quiz credits will appear on the NBC CDT Online Education Tracking System at www.nbccert.org, which is updated weekly. This quiz is provided to test the technician's comprehension of the article's content, and does not necessarily serve as an endorsement of the content by NADL or NBC.
